A VISIT FROM "X" AND OSSAR

X says, "If you become lost, look around for a comfortable place. Stay put and **WAIT** patiently so we can find you."

Grades 5 through 8 received a visit from the Ocean State Search and Rescue team members, David Mahon, Alicia Seguin and X. X is the latest addition to the team. They presented their program called "LOST..found safe and sound".

They advised the students what to do if they become lost.

X showed them how she is trained and graciously took some photos with us.

For more information on the team log onto www.ossarinc.org.

Thanks David, Alicia and X for informative assembly!
